Holi celebration takes place with lot of joy and enthusiasm. Holi is a symbolic commemoration of a legend from Hindu Mythology. The festival's preamble begins on the night of the full moon during the month of March.

Bonfires are lit to cleanse the air of evil spirits and bad vibes, and to symbolize the destruction of the wicked Holika, for whom the festival was named and to signify the death of Holika in order to save Prahlad.

*Join us with family and friends during this symbolic Holika Dahan event!*

Holi victory celebrations continue with play of **COLORS**. In fact, Holi is also called the festival of Colors. It is such a colorful and joyous sight!

It is not just children, but the young and the old alike who take delight in this joyous festival of colors....extend the hand of peace, and everyone throwing brightly colored powder (gulal) over each other!

This year at HTCC, community members have teamed up to celebrate Holi event a memorable one.

*Join us with family and friends for a Sunday afternoon with full of entertainment!!*
