TACLE – Teen Activism, Leadership, Empowerment

Go Green activities

Program/Background

The idea of involving our teens was put forth by HTCC members during late spring of 2011. Hence to explore the teen's availability during their summer break, the project 'TACLE' was launched during June 2011. The project was a big success.

The program is now open for Grade 7-12 students to participate on an on-going basis. Interested students can avail this opportunity to serve the community and the temple in its day today activities. Teens get credit for the community service hours attended, for their school records.

Some of the areas include 'Go Green activity', 'Kitchen', 'Gardening' and 'Flower/garland' sections. Meet any student volunteer(s) to get to know more about the program.

Vision and Goal

Vision

- Provide Opportunities to our next generation youth for leadership roles
- Empower the youth to step outside the comfort zone
- Make it a fun atmosphere
- Bring some order to temple community with their support
- Keep it simple with the 'Go Green' message

Goal

- Service and Community Giving
